

RELEASE AND AUTHORIZATION TO PHOTOGRAPH, VIDEOTAPE, OR OTHERWISE RECORD

I, the undersigned, hereby consent to have my name, image, voice, likeness and statements (collectively, my "Likeness") captured, photographed, videotaped and/or otherwise recorded by International End of Life Doula Association (the "Company"), its successors, assigns, licensees, agents, and legal representatives. I grant to the Company the right to use my Likeness in connection with promotion and advertising of the Company and its services or otherwise to benefit the Company and its business, including without limitation the right to publish, promote, distribute, modify, edit, adapt, and make derivative works from any photographs, videotapes, and other recordings that feature or include my Likeness (collectively, the "Materials"). This grant of permission is made on a royalty-free, perpetual, irrevocable, non-exclusive basis, and will apply in any media now known or later invented, with or without attribution to me, and with the express understanding that I will not be given a right of approval or advance notice of any particular use of the Materials and/or my Likeness.

I agree that all Materials are the sole property of the Company, and that the Company holds and may register copyrights in every and any aspect of the Materials. If I should receive any print, negative, or other copy of the Materials, I will not authorize its use by anyone else. I understand that no Materials will be submitted to me for approval, that I will receive no compensation or other consideration for the granting of this permission, and that the Company shall be without liability to me for any ill effect resulting from the publication of my Likeness.

To the extent that I make any statement or endorsement about the services offered by the Company, I affirm that my statements reflect my true and accurate beliefs. I further release the Company from any and all claims for damages for libel, slander, invasion of the right of privacy or any other claim based on the use of my Likeness that is consistent with this Release.

I affirm that I am of legal age and am freely signing this agreement. I have read this form before signing below, and fully understand its contents, meaning, and impact. In addition, I warrant that my execution of this form and the Company's use of the Materials and/or my Likeness does not and will not conflict with any other agreement to which I am bound.
